MEMORIAL EXERCISE

Celebrated in An Impressive Manner.

MANY PEOPLE IN THE CITY

An Immense Procession to the Cemetery.

At 2 p. m. the last of a procession a half mile long, had filed past THE JOURNAL office to Rural cemetery. It was in honor of Memorial day and for the decoration of the graves of the departed dead Union veterans.

First came the Salem band playing a dirge. The place of honor was given to the Salem militia companies. Then followed over a hundred old veterans of the Grand Army and fifty of the Woman's Relief Corps with bouquets to strew the graves of the unknown dead.

Carriages followed with the governor and staff, mayor and city officials, Woodmen, sixty Chemawa Indian cadets, with their new band of seventeen pieces, on its first appearance, a long procession of cabs and carriages.

Arrived at the cemetery there were the customary ceremonies in honor of the dead.

Considering the lateness of the season there was a remarkable display of flowers. The arch for the unknown dead was beautiful.

Nearly all business houses, all public offices and banks were closed in honor of the day.

The chief marshal of the day was D. C. Sherman, assisted by Fred Legg, C. E. Roblin, Geo. H. Burnett and Henry Downing. The road was dusty, but several thousand went out on the cars.

Remember the program and Commander Ormsby's address at Reed's opera house this evening.

A BEAR STORY.—Last Sunday while Mr. and Mrs. J. S. Buckner were taking a little pleasure drive south of the city they enjoyed a sight that was most pleasing and certainly unusual in this section. Near the Looney school house two half-grown bear cubs were sunning themselves, and when disturbed by the vehicle marched off to the brush. Some might discredit the story, but Mr. Buckner is an old pioneer and knows a bear when he sees one.

BIG BOUNTY WARRANT.—County clerk L. V. Ehlen today issued a bounty warrant in favor of D. Parker for \$13.50 that gentleman having killed five coyotes and one wildcat. This is the largest bounty warrant the county clerk has issued for several months.

NO FAVORITISM.—J. W. Hobart as assessor will be the tool of no faction or class. He is a thorough business man, understands the needs of the office and is competent to judge true values of property.

POPULIST MEETINGS.—The last Populist rally of the season this evening at the armory—Mrs. Mary E. Hobart, of New Whatcom, will speak. She also speaks on Sunday, at the armory for Populism, from the religious standpoint.

If asked the question "Have you got a stomach?" it would be safe on general principles to answer "Yes." But if you are sure of it; that is, if you ever feel any distress after eating or any pains of whatever description in the region of the stomach, you have got something more than an ordinary stomach; in other words, you have got a diseased stomach. The stomach is a powerful muscle, and the proper remedy for a tired muscle is rest. Try the Shaker Digestive Cordial, for this product not only contains digested food, which will nourish the system without any work on the part of the diseased organs, but it aids the digestion of other foods as well. You can test its value in your case for the trifling sum of 10 cents. Sample bottles at this price carried by druggists.

Laxol is the best medicine for children. Doctors recommend it in place of Castor Oil.

Electric Bitters.
Electric Bitters is a medicine suited for any season, but perhaps more generally needed when the liver is torpid and sluggish and the need of a tonic and alterative is felt. A prompt use of this medicine has often averted long and perhaps fatal bilious fevers. No medicine will act more surely in counteracting and freeing the system from the malarial poison. Headache, indigestion, Constipation, Disinjury yield to Electric Bitters. 50 cents and \$1.00 per bottle at Fred A. Legg's Drug store.

University Happenings of the Past Week.

ANOTHER PRIZE OFFERED

The Y. W. C. A. Entertainment a Great Success.

Director F. E. Brown spent Sunday in Newberg.

President W. C. Hawley addressed the graduating class of the Macleay public schools, Friday morning.

Chapel exercises the past week were: Monday, Rec. Jas. Shives; Tuesday, Rec. I. H. Van Winkle; Thursday, Ernest Wilson; Friday—essay, Miss Carson.

The campus Tennis club has had a new court prepared, east of the campus. With the new paraphernalia already purchased, this exhilarating sport will furnish many enjoyable evenings for the members of the club, during vacation.

At the meeting of the Philodorian Literary society, last evening, Treasurer E. T. Stafford's resignation was accepted and R. B. Wilkins elected to fill the unexpired term. Mr. Stafford leaves for his home at Gearhart Park near Astoria, early next week.

In THE JOURNAL's report of the University meeting, at the opera house Wednesday night, it confused W. P. Matthews with Prof. Matthews. Although not honored with a professorship yet, we would be pleased to welcome W. P. Matthews to a chair, as one of the faculty of New Willamette.

Moore and Riggs, our two promising wheelmen, won honors at Independence last Saturday, but we are assured they will be with us on state field day. These two wheelmen with Ogle will give old Willamette an excellent representation in the bicycle events.

The entertainment at the chapel last evening was well attended. The program was given for the purpose of providing funds to send two delegates from the Y. W. C. A. to attend the summer school at Mills College, California. Misses Myrtle Marsh and Helen Matthews, the delegates will leave the first of next week for Mills college.

Chapel visitors this week were: Rev. G. W. Grannis, Mrs. B. J. Sharp, Mrs. M. S. Strong of Astoria, Misses Charlotte Bennett, Lucia Cochran, Edith Frizzell, Nellie Clark, Beda Milster of Silverton, Marguerite Burkhardt of Albany, Grace Frizzell of Arlington, Miss Howell of Monmouth, Messrs. Mark Savage, Fred Bowersox and June Drake of Silverton.

J. R. Byars, our popular impersonator, has recently achieved another success in line of entertainment. He can now most accurately imitate a dog and a hog engaged in a dispute in the barnyard. Mr. Chester Murphy is advance agent and any society desiring the services of Mr. Byars for an entertainment should see Mr. Murphy at once.

There is some talk of organizing a "rooster" band again this year for the purpose of encouraging (if not scaring) our men on to victory on field day. Persons bringing horses to the fair grounds next Saturday should bring along an extra halter as the band will not hold itself responsible for any damage that may be done by runaways on that day.

Study hours have been done away with for the remainder of the term. Wilson avenue affords a welcome retreat for the weary student, when not obliged to attend a recitation. It is hoped this rule may not be enforced again during the coming school year. A student who possesses any pride whatever, will not fail to commit his lessons, whether a study hour rule is in force or not.

It happened in the modern history class one day last week. The professor asked a pupil who was secretary of state under John Quincy Adams. The pupil hesitated. "He was made of the same material that Adams was," added the professor but still the student hesitated. Presently the instructor broke the silence by announcing the secretary to have been Clay.

Wm. R. Parker, principal of the American Institute of Sacred Literature of Chicago, Ill., has offered three prizes of \$100 each for the student passing the highest examination in Hebrew, New Testament and Greek also three \$50 prizes for the three second best examinations on the same texts. The examination is open to all college men and women of America. The examinations will be

Children Cry for Pitcher's Castoria.

held March 10, 1897, and the prizes will be awarded early the following June. The names of the successful candidates and the institution with which they are connected, will be published in the secular and religious press of the United States and Canada.

President W. C. Hawley, to whom the modern history class recites, has a short verse he recites to the class whenever a student announces that he is not prepared to recite, having no reasonable excuse therefor. It is given in the hopes that a repetition of the student's non-recitation may be avoided in the future. It is as follows:

"Non paratus" 3rd Prep. dixit
Cum a sad and doleful look,
"Omne rectum" Prof. respondit
Et nihil scripsit in his book.

It is needless to add that the verse has the desired effect.

The last issue of the Forest Grove Times contains the following among its university notes:
The members of the athletic association are much pleased at the success of their representatives at the Portland High school games Wednesday, three men bringing home four medals, and making a certainty the capture of several at the inter-collegiate contest at Salem a week from Saturday.
